Unbeatable Living For Families

We have a truly special family home for sale in the heart of sought-after Andersons Bay. Offering the ultimate in family living, this impressive 300m²(approximately) residence is spread over two levels and features four bedrooms, two bathrooms, a dedicated office, a spacious rumpus room, and a double garage.

This is the kind of property buyers consistently say they're searching for, yet rarely find. Sunny and positioned to capture lovely views, the home also boasts double glazing, new carpet throughout, and an updated bathroom and toilet, making it move-in ready while still offering generous proportions for growing families.

Standout features are the expansive decks that spans the upper & lower levels, both overlooking a beautifully established garden and beyond, it's the perfect setting for entertaining or relaxing while keeping an eye on the children while they play. Privately positioned up a leg-in driveway, the home offers both seclusion and security in a premium location.

Homes of this scale, quality and location are tightly held, don't miss your chance to make it yours. Phone for set viewing times.
