The ground floor serves as the ultimate entertainment and lifestyle hub, where a light-filled entry hallway flows seamlessly into the heart of the home. A chef's dream, the premium culinary kitchen comes fully equipped with a dishwasher, a butler's pantry, and a stunning integrated dining island. Ready for ultra-luxurious living from day one, this central masterpiece features a custom built-in table perfectly suited for a six-seater dining arrangement.

Cleverly integrated into this open-plan space is a smart study nook with a built-in desk, allowing you to keep an easy eye on the children while preparing meals. The expansive main living room opens out effortlessly to a grand entertaining alfresco patio.

Step out to the manicured grass bed just beyond the terrace, which offers the absolute perfect spot to fit a children's playground or trampoline while remaining beautifully low-maintenance. Convenience on this level is rounded out by a large powder room for guests, a separate laundry, and a secure double garage with a remote-controlled door.

Upstairs, timber stairs lead to a spacious central family lounge, acting as a natural sanctuary and divider between the accommodation wings, with air conditioning and ceiling fans throughout. Positioned at the front, the opulent master suite boasts a private spacious balcony, a generous walk-in robe flooded with natural light, and a luxury ensuite bathroom. Two spacious bedroom suites feature built-in robes and share a brilliant two-way bathroom. Located on the opposite side of the family lounge is a fourth bedroom suite complete with its own private ensuite and walk-in robes, ideal for the grandparents or an older teenager craving independence.

Location is everything, and this property puts the very best of Brisbane's inner-south right at your doorstep. Families will appreciate being within door-to-door walking distance to Heritage-listed Junction Park State School (established in 1891) - one of Brisbane's oldest and most beloved primary schools; plus a short 800m stroll takes you to Woolworths, local cafes, Annerley library, boutique retail, and vibrant local parklands and sports fields. The commute is incredibly effortless with an easy walk to major bus stops and train station for direct CBD access, and just moments away from the Princess Alexandra Hospital.
