All three bedrooms are accessed via the central hallway. The master is impressively large, with floor to ceiling built in wardrobes and plenty of room for additional furniture. The two minor bedrooms are also generously sized, easily accommodating double beds and more.

Step outside and you'll find a backyard designed for fun and flexibility. A fully fenced below ground pool promises endless summer enjoyment, while a separate games room offers space for hobbies, entertaining, or even a home office. There's secure parking for two vehicles behind a single roller door, rounding out the practical features.

The property is currently tenanted on a periodic lease until early December 2025. The tenant would like to stay on.

Homes with this combination of space, comfort, and lifestyle appeal are in high demand. For more information and opening times, contact Brian on 0438 333 341.
