bedrooms, each with ceiling fans and ducted air vents, are located near the stylish bathroom. Two of these bedrooms are spacious enough to serve as master suites.

At the rear of the home, the kitchen offers multiple cupboard spaces and separate storage areas, gas cooking, a fairly new 600mm electric oven, and a dishwasher. Adjacent to the kitchen, the laundry provides additional storage and leads to an enclosed patio that can be used as a games room or kids' activity area. The separate sleepout serves as an ideal teenager's retreat.

Outside, the large backyard features a low-maintenance design with a sunken BBQ area, a small garden shed, and a gabled carport with room for two cars behind the remote-controlled single roller door.

Close to shops, public transport and most amenities.
