The Bottom Line:

14 Merley Road is neat, updated, practical and easy to live in.

It is not trying to be a palace.

It is doing something far more useful - offering a comfortable home, a sensible layout, proper outdoor space and the kind of everyday practicality buyers actually care about.

And frankly, that is much better than pretending a tiny courtyard is an "alfresco lifestyle precinct."

Snap it up before someone else does.

Onwards and upwards to your Austins Ferry cracker!
