Thoughtfully renovated and beautifully presented, the home blends timeless coastal elegance with relaxed luxury across a generous, family-focused floorplan.

Designed to embrace its idyllic surrounds, expansive living spaces spill effortlessly outdoors, creating a seamless connection between the interiors and the tropical landscape beyond. Sunlight pours through new windows, while soft natural finishes, bespoke joinery, textured feature walls and carefully curated materials create a home that feels both sophisticated and wonderfully welcoming.

The newly completed upper-level master retreat is a private sanctuary of its own, featuring a luxurious walk-in wardrobe and a breathtaking ensuite where a freestanding bath, Calacatta Viola stone, Astral Walker tapware and soaring skylight evoke the ambience of a boutique wellness retreat.

At the heart of the home, the beautifully appointed kitchen centres around an oversized island and premium 900mm Smeg gas cooker,
