Ultimate Family Oasis On One Of Avalon's Most Coveted Streets

Perched on the high side of the street and set on 917sqm, this charming weatherboard cottage exudes relaxed seaside appeal. Light-filled and breezy, its interiors showcase V-groove raked ceilings, white plantation shutters, and soothing neutral tones, complemented by polished timber floors. Designed with a practical single-level floorplan ideal for those looking to downsize, the home flows effortlessly to a prized north-facing backyard, where multiple alfresco spaces set the scene for morning coffees, long lunches, and effortless entertaining.

A self-contained cabin at the rear of the property adds flexibility for guests or the opportunity to generate significant rental return. The expansive outdoor gardens feel like a playground of its own, perfect for kids to explore and enjoy. A home that embraces the essence of relaxed seaside living only moments to the beach, village shops, schools, golf courses, and city buses.
