

Avalon Beach, 6 Burrendong Place

Hacienda-Style Sanctuary Immersed in Bushland with Ocean Vistas

Enveloped by six hectares of pristine native bushland, this Hacienda-style home is a rare fusion of Mediterranean warmth and Santa Fe influences. Earthy textures and sun-drenched sandstone spaces evoke a sense of timeless escape. Elevated among the treetops, it offers complete privacy and seclusion, with a split-level design featuring five bedrooms, including a self-contained studio, seamlessly connecting to an array of scenic terraces.

Filtered ocean vistas peek through the treetops, while a 13m shimmering saltwater pool, framed by a thatched cabana, evokes the essence of a coastal villa - where every day feels like a retreat you'll never want to leave. Moments to Avalon village, boutique shops, eateries, schools, cinema, golf courses, and popular surf beaches.

- Hacienda-style home embraced by six hectares of native bushland
