## A Private Pittwater Sanctuary

Set on a quiet cul-de-sac, this welcoming three-bedroom home with separate studio, is immaculate in presentation and offers room to further improve and expand (STCA).

Enjoying a private leafy position on a quiet cul-de-sac, the home feels like a hidden sanctuary. A beautifully crafted dragon-tail timber staircase leads to the inviting timber cottage where floor-to-ceiling glass frames the majestic outlook across Angophora Reserve. Every room has a view. Designed for comfortable living, the home features three bedrooms, including master with walk-in wardrobe and ensuite. The recently renovated main bathroom and additional guest powder room make busy mornings easy, while the oversized laundry/utility room and abundant storage ensures there's space for sports gear, school bags and everything in between.

Unwind on the deck with a coffee or evening drink while the kids head off on their own backyard adventures, exploring the expansive native gardens.

The detached studio, to the rear of the block with ensuite, kitchenette and private deck offers incredible flexibility; home office, teenage retreat, guest accommodation or creative space.

Set on a generous block with scope to further enhance or extend the existing home (STCA), this is a fantastic opportunity to secure a peaceful family haven with room to grow.
