LEONTINE - A PRIVATE ESTATE BY THE SEA

Hidden behind established gardens in one of Avalon's most desirable coastal pockets, Leontine is a home of remarkable scale, privacy and individuality. Set across approximately 1,636sqm, the late-1930s Spanish Colonial residence feels worlds away from the everyday - a genuine private estate shaped by architecture, garden and almost a century of history.

Beautifully restored and evolved for contemporary family life, the double-brick residence unfolds around a sunlit central courtyard, with white rendered walls, high ceilings, original hardwood floors and a magnificent sandstone fireplace preserving its unmistakable character. Formal and informal living spaces are complemented by a marble-finished kitchen, a dedicated children's wing and an entire upper level creating a wonderfully private parents' retreat.

Outside, expansive level lawns and extraordinary established gardens create the setting for a 14.5m tiled pool and self-contained cabana. Magnolias, palms, Frangipanis and Pandanus provide a sense of maturity that simply cannot be recreated, while beyond the gates Careel Bay, Avalon village, schools and the beach are all within easy reach.
