NORTH FACING RURAL VIEWS IN HARNHAM

Wake up to sweeping north-facing views across the Mitchell River farmlands. Architect-designed and split-level in layout, this three-bedroom, two-bathroom home is carefully planned to capture natural light and frame the surrounding landscape. Located in the tightly held street of Harnham Drive this home feels like it's located in the country but is a short drive to the shops.

Living areas open to a rural outlook that will never be built on, offering privacy and a strong connection to the open farmland. High vaulted ceilings enhance the sense of space, while an open-plan study overlooks the lounge and garden—perfect for those working from home.

Flowing from the kitchen and dining area, a generous deck invites easy entertaining or quiet moments with a coffee or evening drink. Each bedroom provides its own retreat, with the master suite featuring extensive built-in robes and a large ensuite complete with a spa bath. A double garage adds storage and internal access, while a wide driveway offers space for a trailer or turning area. Established gardens keep maintenance low, leaving more time to enjoy the peaceful setting and uninterrupted views.

Families will love the location—within walking distance of Nagle College and St Mary's Primary School, and just across the road from
