IMMACULATE BRICK UNIT IN A CENTRAL LOCATION

Beautifully presented and superbly maintained, this quality brick and tile unit offers an ideal lifestyle for those seeking a low-maintenance home or a smart addition to your investment portfolio. Centrally located and filled with natural light, the property combines comfort, convenience, and timeless appeal.

The home features a welcoming wide entry, high ceilings, and a north-facing lounge room with split system heating and cooling. The well-equipped kitchen includes electric cooking, good storage and bench space with room for a dining table. Two spacious bedrooms with built-in robes are complemented by a modern bathroom and a good-sized laundry with separate toilet.

Positioned on a corner allotment, the unit enjoys dual access—one concrete driveway leading to a single carport and another to a single garage, with undercover access to the home.
