This beautifully presented front duplex offers more than just a home - it offers flexibility, comfort, and the opportunity to shape your lifestyle your way.

Upstairs, natural light fills the inviting open-plan living and dining space, with A/C and ceiling fan, creating a warm and welcoming atmosphere from the moment you arrive. The renovated kitchen sits at the heart of the home, connecting effortlessly to the living area - perfect for slow Sunday mornings, relaxed dinners with friends, or simply unwinding at the end of the day.

Two generously sized bedrooms are positioned privately on the upper level, serviced by a recently renovated well-appointed central bathroom. It's a practical, easy-living layout designed for comfort and low maintenance.

Downstairs is where the opportunity truly unfolds.

With its own separate access, the self-contained granny flat provides incredible flexibility. Whether it's a private retreat for extended family, space for guests, currently used as a quiet work-from-home sanctuary, it was until recently an additional income stream to help ease the mortgage - the choice is yours.
