A standout feature of the home is the thoughtfully designed kitchen, featuring 20mm stone bench tops, a 900mm induction cooktop, ample preparation space, and an oversized walk-in pantry; a combination of features rarely found in homes of this style.

Privately positioned at the rear of the home, the master suite provides a peaceful retreat featuring a spacious walk-in wardrobe, generous ensuite, ceiling fan, and split-system air conditioning. The remaining bedrooms are well-proportioned and fitted with ceiling fans, while a second split-system unit services the main living zone.

Step outside and you'll discover multiple outdoor spaces designed to be enjoyed rather than maintained. A tiled side courtyard offers the perfect setting for your morning coffee or afternoon unwind, while the covered rear alfresco creates a fantastic extension of the living area. Surrounding the home, manicured gardens and a neat front lawn provide street appeal without demanding your weekends.

Combining low-maintenance living with the comfort of a genuine home, this is an outstanding opportunity to secure a property that caters to your lifestyle now and well into the future.
