Holiday Bolt Hole That's Virtually on the Water!!!

What about this for your coastal hide away? this is literally across the road from the beach and from the verandah and living room you can see the water.

Just when you think owning on the coast by the sea is just a dream, something like this comes up.

Neat 2 bedroom 1 bathroom unit with tidy kitchen area and a carport that has a laundry/storage room that locks up at the end of it. (perfect for boogie board, sun umbrella and fishing rods)

Imagine grabbing the kids from school on a Friday afternoon and heading down to your own little holiday unit by the sea, slathering on the sunscreen, grabbing the snorkels and walking out your front door, across the road onto the beach. For lunch you can send the kids on their bikes to the Batehaven shops for fish and chips. Here is the opportunity to build memories that will be treasured forever.

Now don't dream it, just do it!
