BALINESE STYLE IN THE BEDFORDALE HILLS

PRIVACY, VIEWS & SO MUCH CHARACTER! Looking for something that has everlasting appeal and character in a home, then come and look at this timeless 'RAMMED EARTH' home adjoining Settler's Common with endless views forever!

The home is situated at the end of a flat gravel driveway with an area of relatively flat land surrounding the dwelling, then sloping down on 3 side boundaries. There is plenty of room to park the families vehicles and small commercial vehicles, but don't bring the 'road train' cause it won't fit.

A floor plan that offers accommodation for an extended family member or indeed a 'Air BNB" option. OPEN PLAN FAMILY LIVING to main area. 2 separate hallways to main bedroom and secondary rooms allow you to configure the home to suit your own individual needs!
