

Belconnen, 12/7 Osborne Place

Look No further!

Other owners in this complex have told me they would never sell as they are within walking distance to the Belconnen Town Centre, medical centers, government departments, the library, the community centre, public transport, CISAC gym and pool, the University of Canberra, Lake Gininnderra…the list goes on and on.

Location and a competitive price are the key factors in today's market. This apartment offers both and has a private, quiet outlook at the back of a lovely, leafy complex.

If you're dreaming of stepping into the property market and owning your own home, or you've always wanted to own an investment property, right now would be an excellent time to buy.
