You Can Count on Quality

Located in the popular LINQ apartment building this property is both practical and stylish. With open living the kitchen showcases the clever use of space with a double row of overhead cupboards, European laundry, along with Bosch appliances and stone benchtops.

Full-length double-glazed windows light up the apartment, while the balcony can be accessed from both the bedroom and living. Another clever use of space is the built-in study nook and bookcase.

Other features that make this apartment building popular and that you'll really enjoy are the landscaped and established gardens, the pristine pool and fully equipped gym.
