## A Rare Waterfront Sanctuary in One of Belmont's Finest Streets

Tucked away at the very end of a peaceful cul-de-sac in one of Belmont's most highly sought after pockets, this exceptional waterfront residence delivers a lifestyle that few properties can offer. With privacy beginning the moment the street ends, and Green Point Reserve and the shores of Lake Macquarie directly at your doorstep, this is a home where morning walks by the water, afternoon swims, and sunset entertaining become part of everyday life.

Backing directly onto the reserve, the property enjoys direct easy access to Lake Macquarie, creating a seamless connection between home and nature. The setting is tranquil, private, and incredibly picturesque, while still being just approx. 1.6km to Belmont CBD and the popular Good One café, and only approx. 1km to Belmont 16s Sailing Club, offering dining, entertainment, and waterfront leisure within easy reach.

At the heart of the home, a stunning saltwater swimming pool is positioned centrally, with the residence thoughtfully wrapping around it. This unique design creates a striking visual centrepiece while enhancing natural light, airflow, and effortless indoor-outdoor living. Solar pool heating allows for extended enjoyment across the seasons,
