HIGH COUNTRY HOME

Set on a corner block just a short walk from the Benambra Pub and General Store, this home is ideal for those seeking a high country hideaway. Benambra is a great base for fishing, mountain biking, hiking in the high country—or even skiing at Mount Hotham. The home is a brick-look clad, sprawling three-bedroom, one-bathroom property with a large open-plan living area. Recently repainted, the generously sized bedrooms feature large windows that draw in natural light. Two of the bedrooms have built-in robes, while the third has space for storage to be added. The main bathroom includes a separate shower and bath, offering easy walk-in access. The older-style kitchen offers plenty of potential—and the view of the mountains from the sink makes daily chores more enjoyable. Outside, the 6m x 15m shed has three-phase power and would suit those after a workshop or man cave. It even has its own toilet—you'll just need to add a fireplace to make it the perfect winter retreat. The generous block provides ample parking for machinery or trailers, and a water bore with an electric pump will keep your veggie garden green during the dry spells. If you're looking for a holiday home or a permanent residence in the high country, this could be the beginning of your new village lifestyle.
