LJ Hooker

comfort

- Excellent four-car accommodation, providing secure parking and valuable additional space for vehicles, boats, trailers or storage
- Residential B zoning with a 23m Frontage, presenting potential for future redevelopment
- Well-positioned block within an established and tightly held Biggera Waters precinct

Investment & Development Potential

For investors and developers, the underlying land and zoning provide the real point of difference. Positioned within Residential B zoning (medium density) the property offers potential to investigate a townhouse development, subject to Gold Coast City Council approval and all relevant planning requirements.

For those not looking to develop immediately, the existing residence provides the opportunity to hold the property, generate rental income and benefit from the continued demand for housing in Biggera Waters while considering a longer-term development strategy.

Whether you are looking to secure a development site, land-bank in a tightly held coastal suburb, invest and hold, or explore the property's potential for future redevelopment, 24 Hollywell Road provides a compelling combination of land, zoning and location.

Location

Positioned in the heart of Biggera Waters, this property places residents within easy reach of the Broadwater, waterfront walking paths, local parks, shopping, dining and a wide range of everyday amenities. Harbour Town Premium Outlets and Metro Market are only minutes away, while the Broadwater provides an enviable lifestyle with opportunities for boating, fishing, walking, cycling and enjoying the Gold Coast's famous outdoor lifestyle.

The property's location also provides convenient access to schools, childcare, public transport and major road networks, connecting residents with Southport, Labrador, Helensvale, Surfers Paradise and the wider Gold Coast. With established infrastructure, strong rental demand and continued interest in the Biggera Waters and northern Gold Coast market, the location provides a strong foundation for both immediate occupation and long-term investment.
