

50 The Serpentine, Bilgola Beach

A Rare Opportunity on Bilgola's Exclusive Oceanfront Headland

Offered for the first time in more than 30 years, this rare oceanfront holding presents an extraordinary opportunity to create a world class residence in one of the Northern Beaches' most tightly held enclaves.

Set on 708sqm and positioned on a spectacular headland setting with access to Bilgola Beach via the reserve directly in front, the property enjoys uninterrupted vistas sweeping across the lush green slopes of Bilgola Headland to the north, the golden sands of Bilgola Beach to the south, and stretching right down the coastline to Manly. It's your own front row seat to watch dolphins at play and whales on their annual migration.

The existing residence is ready for complete redevelopment and rarely do opportunities like this arise - a true once-in-a-generation opportunity to create a landmark residence on one of the peninsula's most tightly held and exclusive beaches.
