

94 Main Road, Binalong Bay

Simply a beautiful home with jaw-dropping views

Cleverly designed to take in genuinely uninterrupted views from Grants Lagoon through the iconic Bay of Fires to Boat Harbour Point, this home simply delivers. This loved holiday and permanent home, for three generations of the current owner's family, is now ready to be passed to the next custodians to love as it has been for the last twenty-seven years. At only 150 metres from the famous pure white sands, days will be spent immersing yourself in beach life, with the convenience of the hot and cold outdoor shower to take care of those sandy feet returning from the beach.

Views like this are rarely achieved, but the efforts of the owner have paid off in spades. With the trimmed hedge hiding the road, and the powerlines taken underground across the front of the property, the continuous vista of garden and coastal vegetation is broken only by the still waters of Grants Lagoon and the aqua marine waters of the Bay of Friers and Binalong Bay, that appear to be just beyond arm's reach. These are enjoyed on the extensive balcony accessed by the lounge room and master bedroom.

The home makes the most of the scenery, with huge, double-glazed windows along the northern front of the home, spoiling the open plan

The prolific veggie garden allows the owners to be partially self-sufficient and includes a large variety of mature fruit trees as well as the vegetables. A greenhouse completes the garden, allowing year-round supply of home grown goodness in our wonderful climate.

The property is being offered fully furnished and includes a firefighting pump as peace of mind, should it be needed.
