

48 High Street, Black Head

A Rare Opportunity - Black Head Village is calling!

There are some locations that simply don't come to market very often — and Black Head Village is one of them.

Privately positioned at 48 High Street, this much-loved original home presents a rare opportunity to secure a property in one of the area's most tightly held coastal villages.

Thoughtfully renovated while retaining much of its original character and charm, the home is spread across three split levels, offering an abundance of space, privacy and flexibility for family living or relaxed coastal escapes.

With three spacious bedrooms and bathrooms, this home has been thoughtfully built and designed, with all living and dining spaces enjoying a beautiful backdrop of farmland and ocean views.

This home is a perfect paradise for creating lifelong memories with friends and family. With Black Head Beach only a few minute's walk away, your hardest decision will be whether to head to the beach or simply sit back and enjoy the view as the cow's graze or the whales pass during whale season.
