A BLUE CHIP BOLWARRA OFFERING!

Reflecting the kind of land size and lifestyle rarely seen in tightly held Bolwarra, this immaculate family residence sits proudly on a sprawling 3,826sqm parcel of park like grounds, delivering space, charm, and flexibility in one of the area's most desirable pockets.

The back verandas add to the character of the residence and offers additional spaces to relax and enjoy the peaceful surroundings, complementing the home's already generous indoor and outdoor living areas.

Outdoors, the lifestyle appeal continues. The massive in ground swimming pool provides a true centrepiece for summer entertaining, while the expansive block offers endless room for children to explore, gardeners to indulge their passion, or simply to enjoy the privacy and serenity that comes with land of this scale. The grounds feel more like a private park than a suburban backyard... a rare luxury in today's market.

Set in a highly sought after Bolwarra location, the property combines peaceful semi-rural living with convenient access to local schools, shops, and amenities.

With its generous proportions, immaculate presentation, and exceptional land size, this is a home that delivers both immediate comfort and long term lifestyle appeal. A genuine Bolwarra beauty ready for its next family to enjoy.
