

5/17 Ramsgate Avenue, Bondi Beach

Two-level semi-style living, footsteps from Bondi Beach

Designed with the feel and separation of a semi, this distinctive two-level residence delivers an exceptional amount of space in one of Bondi Beach's most tightly held settings. With separate living zones across both floors, three bedrooms plus a versatile sunroom and generous house-like proportions throughout, it offers the flexibility of a home without giving up the ease of apartment living.

Set in a character block of just six, the residence combines timeless appeal with a series of considered updates, while leaving scope to further personalise and make it your own. The upper level provides a spacious retreat-like zone, while the home's generous storage and practical layout add to its everyday appeal.

Then there's the location. Bondi Beach Public School and the weekend markets are virtually on the doorstep, with Depot Cafe, Harry's and Bondi's favourite local cafes and village spots all within easy reach. The beach is quite literally footsteps away.

A rare combination of space, flexibility and position, right in the heart of Bondi Beach.
