Positioned in the heart of Bondi with bustling café life literally at your doorstep, this tastefully updated top-floor apartment offers sun-drenched interiors and character charm, just a short level stroll to the iconic beach. The recently renovated Art Deco building showcases golden timber floors, high ceilings and picture rails, with a beautiful wide bay window to the front. The kitchen alcove features stone benchtops with electric oven and cooktop, flowing to a bright and airy bedroom with ceiling fan and cosy bay window nook. A roomy floor-to-ceiling tiled bathroom includes shower over bath, while a Euromaid washing machine is incorporated into the kitchen. Common outdoor spaces include a courtyard for summer entertaining, plus handy bike storage rack. With buzzing café The Shop on the ground floor, Lox, Stock and Barrel across the street, and Hall St village an easy walk, this is the perfect beachside pad and an astute investment opportunity.
