Enjoy waking up each day in this bright and spacious two-bedroom apartment with sweeping views across the leafy eastern suburbs to Sydney Harbour. Set on the northern side of the tightly held Mirvac-designed Seapoint apartment complex, and on the market for the first time in 20 years, the apartment's elevated position provides a stunning outlook, with a generous layout centred around a covered entertainer's terrace, ideal for alfresco dining. Clean lines and quality finishes provide a sense of luxury that's enhanced by shared resort-style facilities including a pool and gardens. It would be hard to find a more convenient location, with the bustling heart of Bondi Junction offering endless dining, shopping and transport options at the front door. The prime location is only a short drive from the beach or the CBD, and a secure car park with level lift access makes coming home a breeze.

- On level 5 of esteemed complex with magnificent sunny aspect
