

5/9-11 Ocean Street North, Bondi

2 1 1

Top floor apartment with wraparound balcony, parking and lock-up storage

Sunlit interiors, an oversized layout and a wraparound balcony come together to create a calm, light-filled coastal home in a small security block.

Positioned on the top floor at the leafy northern end of the street, the apartment enjoys a prized north-east aspect that draws warmth and brightness from morning through to afternoon. This natural light flows directly onto the wraparound balcony - a seamless extension of the living space with a peaceful treetop outlook

With windows wrapping three sides and only one common wall, the home offers an exceptional sense of light and privacy. Polished parquetry flooring and considered designer finishes define the interiors, while secure parking and an oversized lock-up storage room, make this an easy fit for the active Bondi lifestyle.

Features include
- Top floor position in tightly held Maldon Court
- Exceptional natural light with prized north east aspect
