

Unit 11/7 Short Street, Boronia Heights

Come Home to Space, Light and Easy Living

Built in 2010 and designed around the way families actually live, 11/7 Short Street is a home that makes everyday life feel comfortable, spacious and easy to enjoy.

From the moment you step inside, there's a real sense of space and flow. The open-plan kitchen, dining and two living zones form the heart of the home, giving the family room to come together or spread out, whether it's a movie night on the lounge or a weekend hosting friends.

The kitchen sits at the centre of it all, with a breakfast bar, double sink, filtered water tap, electric cooktop, oven, dishwasher and generous cupboard space. The layout keeps you connected to the family while you cook.

The living area opens through sliding doors to the covered alfresco, a natural spot for morning coffee, weekend barbecues or a relaxed evening under the lights. Beyond it, the fully fenced backyard gives the kids and pets plenty of room to play, with space for a veggie patch or garden of your own.
