## Low Maintenance, High Convenience

Rarely does a property offer so much while appealing to such a wide range of buyers. If location, low-maintenance living, and comfort are priorities, your search may be over. Situated in a quiet pocket of Boronia with its own wide frontage not squeezed in a tight complex with narrow driveways, we are certain this unit will impress.

Recently refreshed with new flooring and fresh paint, this inviting home is move-in ready and ideal for first-home buyers, downsizers, and investors. A wide entrance leads to a spacious lounge with bay windows soaking in the sun rays and overlooking the gardens, through to a dining area and well appointed kitchen with gas cooking, ample storage, and a meals space.

Both bedrooms feature built-in robes and are serviced by a central bathroom with a bath and separate toilet.

Set on approximately 269sqm, the property offers a rare balance of low maintenance and outdoor space. The private rear yard is perfect for relaxing, gardening, or pets, with direct access to a single lock-up garage.
