QUEENS BEACH HOME ON 1,012M2

Located on a huge corner block, in the heart of popular Queens Beach, this family home is a short stroll to the beach and golf course. You'll find the interior of the home is very spacious featuring a large timber kitchen, with loads of drawers and bench space. Adjoining the kitchen is a designated dining area flowing through to the lounge room. The bedrooms are a good size with built in wardrobes.

There is a huge rumpus room, the perfect space for the family to hang out or convert into a bedroom. There are ceiling fans throughout and air conditioning. There's plenty of storage and a big laundry room. A carport keeps your vehicle covered but there is also a 2 bay shed offering plenty of additional parking space for cars and boats.

With a little TLC, the front garden has the makings of a pond and rockery which could be brought back to it's former glory. Same goes for the inground pool with a concrete shell already in place. The yard is fully fenced to keep kids and pets secure.
