WELL POSITIONED FAMILY HOME

Set on a fully fenced 667 m² allotment with side access, this low-set brick home offers generous living space and practical features for the whole family.

Inside, you'll find three living areas: a lounge, dining area and family room. The galley-style kitchen overlooks the rear deck, creating an easy connection between indoor and outdoor living. There are three bedrooms, each with built-in robes, while the air-conditioned main bedroom features an ensuite with shower, vanity and toilet.

The family bathroom includes a shower, bath and vanity, with a separate toilet for added convenience. A large laundry and utility room, plus a massive rumpus room, provide plenty of extra space for hobbies, work or family activities.

Outside, enjoy the rear deck, full security screens and a workshop area underneath. With room to spread out and plenty of potential, this is a well-positioned home ready for its next family.
