

145 Lee-Steere Drive, Boyup Brook

Elevated Country Living On 8.85 Acres

Set across approximately 8.85 acres of established gardens and multiple paddocks, 145 Lee-Steere Drive offers a spacious and well-equipped country lifestyle with elevated views across the surrounding Boyup Brook countryside.

Built in 2002, the four-bedroom, two-bathroom residence has been designed to make the most of its picturesque setting, combining generous proportions, warm country character and plenty of flexibility for family living.

At the heart of the home is the impressive open-plan kitchen, dining and living area, where raked ceilings and exposed timber beams create a wonderful sense of space. A slow-combustion wood fireplace provides warmth through the cooler months, complemented by split-system air-conditioning for year-round comfort.

A separate theatre/games room provides a second substantial living space, while the dedicated study offers excellent flexibility as a home office, guest room or potential fifth bedroom.

Wrapping around the residence, wide verandahs provide plenty of
