

12 Pennington Way, Brabham

Modern Family Comfort

Welcome to 12 Pennington Way, Brabham - a thoughtfully designed family home offering generous living spaces, practical functionality and modern comfort in one of Brabham's fast-growing and family-friendly locations.

From the moment you step inside, the high ceilings create a strong sense of openness and space, complemented by a well-considered layout that separates the master suite at the front from the secondary bedrooms at the rear - ideal for privacy and comfortable family living.

At the heart of the home sits a well-appointed kitchen featuring a walk-in pantry and island bench, overlooking the open-plan family and meals area. This central living space flows seamlessly to the alfresco area, creating an inviting setting for entertaining and everyday living.

A dedicated audio-visual/theatre room provides the perfect space for movie nights or a quiet retreat, while an additional attic storage area adds valuable extra space rarely found in homes of this type.

The master suite includes a walk-in robe and private ensuite, while the remaining bedrooms are generously sized and serviced by a central bathroom positioned for convenience.
