TWO INCOME STREAMS FOR INVESTORS OR A HELPING HAND FOR OWNER OCCUPIERS

CALL TO VIEW BY PRIVATE INSPECTION

The dual dwelling configuration offers the ability to generate rental income from two residences, providing diversification across two tenancies rather than relying on a single rental. For owner occupiers wanting to live in the main residence, the granny flat provides an exciting opportunity to generate rental income to help pay the mortgage while retaining your own private home.

Currently returning \$1,350.00 per week in total, the main residence is leased for \$800.00 per week, while the detached granny flat returns \$550.00 per week. With both dwellings offering their own living spaces and outdoor areas, the property provides an appealing combination of income, independence and lifestyle.
