Floor coverings are the wonderful easy care hybrid flooring which has been recently installed, and quality tiles.

The inside climate is beautifully controlled by RCAC and effective insulation. The apartment is West facing and attracts wonderful afternoon sunshine. A large rear courtyard is East facing, has been freshly painted and includes a deep planter box - waist high gardening for herbs and vegetables or ornamentals. The outlook through the leafy front courtyard to Lowanna Street is peaceful and calming and provides a sound barrier from the small traffic flow on the street. Car accommodation is secure basement parking with a storage unit.

The Body Corporate fee is moderate, and the Body Corporate group is active. The building and the basement are well maintained. Internet access is via FTTN and provides a strong signal and consistent access for those able to work from home.
