Throughout the home, character features abound, including a stunning bay window that welcomes the morning sun, a cozy fireplace perfect for Canberra's cooler months, and beautifully crafted cedar timber sash windows. For year-round comfort, reverse-cycle air-conditioning ensures a perfect climate no matter the season.

Yet, it's the backyard that will truly steal your heart. A beautiful Golden Elm provides dappled light over a stunning paved entertaining area, creating a serene oasis to enjoy a morning coffee or evening glass of wine. At its centre, a charming glasshouse doubles as a potting shed and a delightful retreat. The oversized single garage, transformed into a fantastic man cave, adds even more appeal, along with a double carport and additional covered storage-ideal for a workshop or extra space for hobbies. Out here, you'll almost forget you're on the edge of the city.

All of this happens to fall comfortably within the RZ3 redevelopment zone, ensuring a future-proof investment.

Perfectly positioned in the vibrant heart of Braddon, you're just moments from the buzzing Lonsdale Street precinct, the City Centre, public transport, and an array of cafes, restaurants, and cultural hotspots. This is truly the best of both worlds-a peaceful retreat in Canberra's thriving Inner North.
