Unlock the Potential in a Blue-Chip Location

Welcome to 58 Currong Street North, a charming three-bedroom home set on a generous 845m² block in one of Canberra's most tightly held and desirable suburbs. Positioned within the Braddon Garden City Heritage Precinct and just a stone's throw from the CBD, this property offers a unique blend of lifestyle, location, and potential.

The classic red brick facade offers timeless street appeal, while inside, the home retains its original charm with high ceilings, picture rails, and sun-drenched interiors. A renovated kitchen and bathroom bring modern comfort, ensuring the home is move-in ready.

Reverse-cycle air conditioning provides year-round comfort, and the inclusion of a separate laundry and toilet adds to the home's practicality.

Outside, the perfectly rectangular, flat block invites your imagination to run wild with future extension plans. But for now, the yard offers ample lawn space for children to play, weekend entertaining, or possibly even a vegetable garden. Whether you're dreaming of a garden oasis or planning a larger renovation, the possibilities here are endless.
