Rare 5 Acre* Development Opportunity In The Heart Of Bradfield Future City

Positioned within the rapidly evolving Bradfield City Centre and the Western Sydney Airport precinct, this exceptional 5 acre* (2.01 ha*) landholding presents a rare chance to secure a site with significant future upside in one of Australia's most important growth corridors. Zoned Commercial Centre —Mixed Use with an FSR of 3:1 and a 70m height limit, the property offers the potential for a landmark development of up to 23 storeys[^], with scope for approximately 600 apartments plus ground and first floor commercial space, creating strong long-term income and return potential.

Located less than 800m* from Bradfield Metro Station and supported by major infrastructure including the M12 Motorway and Elizabeth Drive upgrades, this is a highly connected site set to benefit from the economic growth driven by the Western Sydney International Airport and surrounding Aerotropolis.

Currently improved with a well-maintained 4-bedroom, 2-bathroom brick veneer home and shed, the property provides immediate holding income while future plans are realised.
