This is a rare chance to secure Commercial 1 Zoned land in the heart of the ever-growing township of Broadford. Offering a generous 1,011 sqm (approx.) allotment with all services connected, this property presents outstanding potential for a wide range of commercial, residential or mixed-use developments (STCA).

The existing 2-bedroom weatherboard home is in very poor condition and is likely suited for demolition, allowing purchasers to fully capitalise on the site's future potential.

The property would be ideal as a unit development site (STCA), investment project, or land bank opportunity in a thriving regional location experiencing strong growth and increasing demand.

Conveniently positioned close to shops, schools, transport and all town amenities, opportunities such as this are becoming increasingly difficult to find.

Key Features:

- Commercial 1 Zoning
- 1,011 sqm (approx.) fully serviced allotment
