

11 Tourmaline Boulevard, Byford

Generous Living, Everyday Comfort

Offering the room and flexibility growing families are searching for, this impressive four-bedroom, two-bathroom home combines multiple living zones, generous bedrooms and a fresh, move-in-ready presentation.

The true centrepiece of the home is the exceptionally large open-plan kitchen, meals and family area. Its impressive proportions create a welcoming central hub where everyone can come together without feeling crowded. The kitchen overlooks the main living space and is equipped with a brand-new oven, gas cooking, dishwasher, rangehood, large built-in pantry and a fridge recess with plumbing available for water.

Beyond the main living area, the home continues to deliver the space families need. A separate home theatre provides the ideal setting for movie nights or quiet relaxation, while the additional activity area gives children or teenagers a dedicated space of their own. The gas log fireplace adds warmth and atmosphere during the cooler months, complemented by ducted evaporative air conditioning and ceiling fans for year-round comfort.
