

8 Pindipindi Loop, Byford

Family Living with Space & Exciting Potential

A spacious four bedroom, two bathroom home offering comfortable family living with the opportunity to add value and truly make it your own.

Located in the growing community of Byford, this well-designed home features a functional floor plan with multiple living areas to suit modern lifestyles. All bedrooms include built-in robes, while the master enjoys the privacy of its own ensuite and walk in robe. A separate theatre room provides the perfect retreat for movie nights or a quiet space away from the main living zone.

At the heart of the home is a light-filled open plan kitchen, living and dining area designed for connection and everyday living. The kitchen offers ample bench space and storage, flowing seamlessly through to the main living area and out to the covered alfresco.

Step outside and you'll find an inviting alfresco area ideal for entertaining family and friends, along with a backyard that presents a fantastic blank canvas. With great bones and a practical layout, there is genuine potential here to enhance, refresh and add your own personal touch over time.
