

504/1 Marlin Parade, Cairns City

Elevated Inner-City Living — City, Mountain & Trinity Inlet Views

Perched on the fifth floor, this beautifully positioned one-bedroom apartment delivers a sweeping outlook across the Cairns CBD skyline, the rainforest-clad mountains, and the glassy waters of Trinity Inlet — a view that changes with every hour of the day and is hard to put a price on.

Currently tenanted until March 2027 at \$620 per week, this is a turn-key investment opportunity offering immediate rental return and a secure, low-maintenance addition to any portfolio.

Inside, the layout is clean and low-maintenance, designed for easy living — and with a quality tenant already in place, an investor can step straight into this one with confidence and zero downtime.

Step onto the balcony and take in the inlet by day or the city lights and mountain silhouette by night — this is the kind of outlook that draws people to Marlin Parade in the first place. And residents enjoy resort-style facilities to unwind, from a workout in the gym to a relaxing session in the sauna.
