an exceptional lifestyle from day one.

A striking street presence introduces the home, with wide frontage, manicured gardens, and substantial off-street parking complementing the double remote garage. The grand facade, soaring void entry, and elegant staircase create an immediate sense of space and sophistication, setting the tone for what lies beyond.

Generous proportions define the ground floor, where formal and informal living areas allow families to spread out in comfort. A dedicated lounge offers a refined sitting room or media space, while an additional retreat provides the flexibility for a games room, children's zone, home office, or second living area. Large-format tiles, crisp neutral tones, and quality lighting give the interiors a fresh contemporary feel.

At the heart of the home is an impressive entertainer's kitchen designed for real family living. Featuring thick black stone benchtops, extensive cabinetry, stainless steel appliances, gas cooking, breakfast seating, and bold glass splashbacks, this space connects beautifully with the open-plan meals area. Wide windows frame uninterrupted views across the alfresco terrace, pool, and backyard - creating a beautiful backdrop for cooking and entertaining.

Outdoor living here is exceptional. A broad covered patio with built-in servery with bar seating overlooks the sparkling in-ground pool, framed by glass fencing and expansive paved surrounds. Beyond, the enormous level lawn offers rare space for backyard cricket, play equipment, pets, or future additions. Private, peaceful, and beautifully usable, this is a true family sanctuary.

Upstairs, four spacious bedrooms all feature built-in robes and timber-look flooring. The oversized master retreat enjoys a walk-in robe, stylish ensuite, and generous proportions for a true parents' haven. The additional bedrooms are serviced by a beautifully appointed family bathroom, while a third bathroom downstairs adds convenience for guests and everyday use.

Additional highlights include:

- ? Solar panel system
- ? Air conditioning
- ? Security screens
- ? Double garage plus extensive driveway parking
- ? Excellent storage throughout
- ? Move-in-ready presentation with quality updates
