

3 Ironbark Place, Calamvale

Space, Style and Substance on a Generous 782m² Block

There's a lot to love about this beautifully renovated family home, and it's the kind of property that makes a strong case no matter what you're looking for.

Freshly updated throughout, the home offers a bright, versatile floorplan with four generous bedrooms, a fifth bedroom or study, and multiple living areas, giving families room to spread out and options to grow into.

At the centre of it all is a striking, newly renovated kitchen. The darker, contemporary palette gives it a sophisticated feel, and with a gas cooktop, generous pantry and plenty of bench and cupboard space, it's built for everyday use as much as good looks. It flows naturally into the family area, while a separate formal living and dining zone adds extra breathing room for the household.

Entertaining is easy here. The living spaces open out to a covered patio, perfect for weekend barbecues or simply keeping an eye on the kids in the spacious, fully fenced backyard. And with a 782m² block underpinning it all, there's rare breathing room both inside and out.
