A Gem for First Home Buyers or Investors

This beautifully refreshed home is positioned on a freehold section with great indoor/outdoor flow. Refreshed with new carpet, an updated kitchen, bathroom and laundry, this property is waiting for you to move in.

It features three bedrooms and a large light-filled living area. The family bathroom is complimented by a separate shower in the laundry room, giving the advantage of "two" bathroom spaces.

Completing the package is a single garage and plenty of off-street parking. This is a fantastic opportunity to secure a solid well presented home with modern updates and great outdoor living.
