### Resort Style Stunner!

The long-time owners of this beautiful residence say that there is so much they will miss about living here. First, they will miss the stunning, state-of-the-art family home featuring every convenience for modern living. Second, they will miss the fabulous location with views to the Brindabella's and the short walk to Lake Burley Griffin, Mt Ainslie nature trails, local shops and schools, and the Canberra Centre. Thirdly the abundant bird life that also calls Campbell home. But now it's time to downsize and pass the legacy onto the next family.

Step inside, and you'll quickly understand why this home is so special. The heart of the home is a spacious, thoroughly modern kitchen, perfectly paired with a light-filled family room. A stunning picture window draws your gaze across the sparkling resort-style pool toward the iconic Captain Cook Fountain - a reminder of the home's extraordinary location. For more intimate gatherings or peaceful moments, the separate formal lounge offers a second living area, ideal for entertaining or as a quiet retreat.
