Kitchen & Bathroom Done - Your Dream Home Awaits to Be Finished

Positioned in a convenient and family-friendly pocket of Cardiff, this property presents an outstanding opportunity for buyers looking to secure a home with the hard work already started and the chance to add their own finishing touches.

Set on a generous 879sqm block, the property offers space, privacy, and incredible potential for those ready to capitalise.

Upstairs, the key upgrades have already been completed, including a modern kitchen and stylishly renovated bathroom. The home features three well-sized bedrooms, two with built-in wardrobes, while the remaining spaces offer a blank canvas to finish and personalise to your taste.

Downstairs is where the real upside lies. With a laundry, second toilet, and shower already in place, the under-house area presents excellent potential to convert into a fully self-contained space or second living area.
