Peace, Privacy & Family Living in Glen Regent Estate

Nestled in the highly sought-after Glen Regent Estate, this beautifully maintained split-level residence offers the perfect blend of space, privacy and tranquillity. Backing directly onto a nature reserve and positioned in a quiet family-friendly setting, this is a home designed for those who appreciate both comfort and lifestyle.

From the moment you step inside, you're welcomed by a spacious lounge room that flows effortlessly to the separate dining and kitchen area. The neat and tidy kitchen is well-appointed with stone benchtops, gas cooking and a pleasant outlook over the backyard, making everyday living both practical and enjoyable.

The split-level design provides excellent separation between living and sleeping zones, while tiled flooring throughout the entry and lower levels offers durability and style, complemented by carpeting upstairs that lead to all the bedrooms.

Downstairs, a large rumpus room creates the ideal space for a growing family, home theatre, games room or teenage retreat. Sliding doors open seamlessly to the covered alfresco entertaining area, overlooking the expansive grassed backyard and peaceful nature
